

**AIA INVESTMENT MANAGEMENT (THAILAND) HAS WON THE “BEST ASSET MANAGER (EQUITY FUNDS)” AWARD FOR THE SECOND CONSECUTIVE YEAR FROM ALPHA SOUTHEAST ASIA**

**Best Asset Manager (Equity Funds)  
AIA Investment Management (Thailand) Limited**

In June 2023, **AIA Investment Management (Thailand)** won the **“Best Asset Manager (Equity Funds)” Award for the second consecutive year from Alpha Southeast Asia**, the first and only institutional investment magazine focused on Southeast Asia (Indonesia, Malaysia, Philippines, Singapore, Thailand and Vietnam) producing articles on Southeast Asia for Europe and US-based investors and investors based across Asia Pacific and Southeast Asia.

By receiving this honourable award again in 2023, it shows that AIA Investment Management (Thailand) Limited (“AIAIMT”) has strong investment capability, while also focusing on risk management to generate fair returns within the equity realm. AIAIMT is an anchor of strength unlike another and continues to outperform both during good and bad times, managing a wide range of innovative practices in Thailand. During the award assessment period (May 2022-June 2023), equity markets around the world saw record falls while our local equity funds, AIA Thai Equity Discovery, AIA Thai Equity, and AIA Enhanced SET50, each continued to outperform the index due to the well-disciplined investment process and the team of seasoned portfolio managers.

This Award emphasizes that AIAIMT, together with AIA Group Investment, have demonstrated strong fund performances and will continually provide the best investment management expertise for AIA Thailand Unit Linked.
